

With an aim of helping small producers in selling their products, these societies are established. The producers who wish to obtain reasonable prices for their output are the members of this society.

For securing a favourable market for the products they eliminate the middlemen and improve the competitive position of its members. It collects the output of individual members. Various marketing functions like transportation, packaging, warehousing, etc are performed by the cooperative societies to sell the product at the best possible price.

5) Housing Cooperative Society

To help people with limited income to construct houses at reasonable costs, these societies are established. Their aim is to solve the housing problems of the members. A member of this society aims to procure the residential house at lower cost.

They construct the houses and give the option to members to pay in installments to purchase the house. They construct flats or provide plots to members on which the members themselves can construct the houses as per their choice.
